Special Election Date Set to Vote McKee Successor

**Muskegon Attorney,
Defeated in Primary,
Seeking Senate Post**

Orders for a special election April 2 in Muskegon and Ottawa counties to fill the state senate vacancy created Wednesday by the death of Sen. Frank E. McKee, North Muskegon, were sent out today by Gov. G. Mennen Williams.

Williams said he regretted hasty calling of the special vote but did so because of the brief time remaining before the regular state general election in April. He also ordered a special primary for the 23rd senatorial district Monday, March 12, and directed that candidates must file nominating petitions with the secretary of state before 5 p.m. Feb. 24 to qualify for the primary.

Word of the special primary was received in Holland late Wednesday afternoon after Secretary of State Fred M. Alger notified County Clerk Anna Van Horssen of the governor's action.

Matthew C. Locke, Muskegon attorney, whom McKee defeated in the September primaries, announced today that he would be a Republican candidate for the position. Locke was defeated by the slim margin of 444 votes out of more than 16,000 cast in the two counties.

Locke, a former Grand Haven resident, served Ottawa county as circuit court commissioner. He is a veteran of World War II and for six months was special assistant city attorney in Muskegon to assist in clearing up an overcrowded docket. He is a graduate of the University of Michigan.

Muskegon county, it was reported, will support no other candidate. Political leaders Wednesday night designated Locke as a delegate to the Republican state convention.

In Lansing, both house and senate met only briefly Wednesday, adjourning almost immediately in respect for McKee's passing. Both chambers adopted a resolution memorializing the North Muskegon senator's service. He served one term during the 1943-44 session and was elected again last November, taking office Jan. 3.

"The death of Senator McKee is a shock to all of us who know him," Gov. Williams declared. "He served ably as a member of this legislature during his previous term and we looked forward to a great deal of effective leadership from him in the 66th legislature. His death is a severe loss to the people of his district and the people of the state of Michigan."

McKee, about 71, was found dead in his hotel room in Lansing Wednesday morning by a hotel bellboy. Death was ascribed to a heart attack.

His body was removed to his home city Wednesday and funeral services will be held at 3 p.m. Friday from the Muskegon Episcopal church. Lt. Gov. William C. Vandenberg of Holland, who preceded McKee as 23rd district senator, will head a delegation of three senators and three representatives to attend funeral services.

The honorary delegation will include Senators Harry F. Hittle, East Lansing, Don Vandewerpe, Fremont, and Perry W. Greene, Grand Rapids, and Reps. Louis H. Freye, Muskegon, Walter H. Nill, Muskegon Heights, and George M. Van Furse, Zeeland. One of McKee's last appearances locally was at a Republican rally Nov. 3 in Zeeland.

Number of signatures required on petitions for candidates designated 332 for Republicans and 218 for Democrats.

Mrs. Maggie Munson Dies At Home of Daughter

Mrs. Maggie Munson, 88, died Wednesday evening at the home of her daughter, Mrs. Less Beck of Wayland. She had been bedridden more than a year, following a fall at her home. She was a resident of Holland most of her life. She attended Third Reformed church.

Surviving are five daughters, Mrs. Beck, Mrs. John De Feyter of Holland, Mrs. Benjamin Green of Racine, Wis., Mrs. Jack Lessa of Grand Rapids and Mrs. Laura McCarthy of Holland; a son, Edward Munson of Grand Rapids; 14 grandchildren; and five great grandchildren.

Rites will be held Saturday at 2 p.m. at Nibbelink-Notier funeral chapel. The Rev. Christian Walvoord will officiate and burial will be at Pilgrim Home cemetery. Friends may call at the funeral chapel Friday from 4 to 5 and 7 to 9 p.m.

Two Drivers Fined

Two drivers paid traffic fines in Municipal Court Wednesday. Burton E. Smith, route 4, paid \$15 fine and costs for failure to yield right of way. James R. Searer, Muskegon, paid \$12 fine and costs for failure to observe assured clear distance.

The 35 draftees leaving Grand Haven Wednesday afternoon were favored with bright sunny weather for their bus ride to Detroit. This photo of several draftees of the Holland-Zeeland area was taken in Grand Haven army just before they boarded the chartered bus. Seated, left to right, are Justin

Elhart, John J. Ten Cate, Richard De Kleins, Russell Hulst and Gordon Keen. Standing are Robert J. De Pree, Andrew S. Jonker, George E. Atwood, Ronald Jousma, Clarence Walters, August Gumsier and John T. Vergeer. (Sentinel photo)

School Bus Hits Car; No Injuries Reported

A car and a school bus collided at 8:30 a.m. Friday at the corner of 20th St. and Van Raalte Ave., but nobody was injured in the accident.

The Alben Christian school bus driven by Meindert Kooistra, 57, of route 1, Coopersville, was going west on 20th St., and collided with an auto driven by Dorothy Ann Ross, 19, of 269 West 11th St., who was going south on Van Raalte.

Kooistra told officers he stopped for the stop street and did not see the Ross car because of frost on the side windows. Miss Ross told police she couldn't stop in time to avoid the accident.

Damage to the car was estimated at \$100, while the bus only lost a hub cap. Kooistra was given a ticket for driving with obscured vision.

Discussion Group Meets at Hamilton

Hamilton (Special)—Hamilton Community Farm Bureau Discussion group met last Friday evening at the home of John Klingenberg. Sixteen members attended. Mr. and Mrs. James Boyce were guests.

Klingenberg was discussion leader and introduced Boyce who presented the topic, "Should Township Government Be Abolished in Favor of Stronger County Government."

He gave a brief history of township government, saying that Michigan is the only state in which township government really exists. He cited advantages of smaller government groups.

In a group discussion, four conclusions were reached:

Power of the justice of peace to try cases should not be transferred to a county court as it would weaken the township system. County officers would not be so familiar with local people and problems.

It should not be legal for counties to make this change by putting the question to vote at the polls.

If there are weaknesses in the township government, residents should strive to get top men for offices and get the people to attend caucus and to vote.

More functions of local township government should not be transferred in general to county government, for, as the government gets farther from the people it involves more cost and waste of public funds.

The Hamilton group has been invited to meet with the Lakeshore group on Feb. 23, it was announced.

Opposing Faction Wants Appeal in Singapore Case

**Judge Smith's Verdict
Of 'No Cause' Irritates
Saugatuck Fishermen**

Allegan (Special)—The opposition in Saugatuck, disappointed at the Singapore road verdict in circuit court last week, are holding out hope of a settlement more to their liking.

Edwin House, 71-year-old spokesman for the group who want the gate kept open on David Bennett's 400-acre estate on the lakeshore, said he pinned his hopes on the county road commission to appeal the case to state supreme court. As an alternative, he suggested a court action aimed at condemning some of the land near the government pier and the dune-buried village of Singapore for public use.

Last week, Judge Raymond L. Smith ruled no cause for action in the road commission's case against Bennett which was launched in protest of the Chicagoan's fence and gate that closed the famed Singapore road.

"The gate has been shut most of the time the case has been in the judge's hands, more than a year," House said. "The fence was extended down to the river too."

Some have climbed over the fence to go fishing on the pier, but others have to go down by boat on the Kalamazoo river, House said.

"Bennett wasn't here much last summer, but a caretaker looks after the fence and gate," House commented.

Common Council Grants Permission For Gas Stations

Permission was granted by Common Council at a special session Wednesday evening for construction of gasoline stations at the corners of Eighth St. and Pine Ave., and Eighth and Mill Sts.

The Sinclair Refining company, through local agents, was the petitioner. Council's vote was 8-3 in favor of granting the applications, with one absence.

The voting followed a legal opinion by city attorney O. S. Cross that council had no legal alternative but to grant the applications.

Judge Cross pointed out that the present ordinance gives council power to refuse applications for construction of gasoline stations only if such construction would cause a traffic hazard or imperil public safety by becoming a fire or explosion hazard.

The new city charter now in effect allows council to limit the number of stations in the city. Judge Cross pointed out, but council must pass an ordinance to that effect before such action can be taken.

"There is no alternative but to grant the applications," Cross said. Alderman Bertal Slaght reported as chairman of the civic improvement committee that the committee was opposed to granting either license. But faced with the city attorney's legal opinion, Slaght introduced the motion to grant the permission. The problem had been referred to the committee for study.

Alderman Lloyd Maatman, a member of the Planning commission, said that recently engaged city planner Scott Bagby had objected to the Mill St. site, but not to the Pine Ave. location.

The voting, which followed considerable discussion from the floor, lined up with Aldermen Nienhuis, Rudolph, Maatman, Slaght, Peerbolt, Van Eerden, Kammeraad and Vischer voting in the affirmative, and Alderman Huizenga, Beltman and Hertel voting in the negative. Alderman Notier was absent.

Spokesmen for the petitioner said that the company had not yet gained title to either property, waiting for council's action. The Mill St. station is planned for the northwest corner of the intersection, and the Pine Ave. station is planned for the northeast corner of the intersection, the spokesman said.

Holland Observes 104th Birthday

Happy Birthday, Holland!

Few persons may recall Friday's famous date, but Feb. 9 stands out in the history of Holland as an important milestone.

It was on Feb. 9, 1847, (exactly 104 years ago Friday) that Dr. A. C. Van Raalte and his little band of Dutch colonists first visited this section of Western Michigan which later became the city of Holland.

Four years ago, Holland launched its centennial celebration with a city-wide service in Hope Memorial chapel. The weather that Sunday afternoon with some 24 inches of snow on the ground was much like the day Dr. Van Raalte first came here. The winter had been a severe one and the snow averaged two feet deep when Holland's founder knelt and gave thanks for his safe arrival.

The exact date of Van Raalte's arrival has been questioned by historians, but Holland has been celebrating the anniversary on Feb. 9 ever since the 90th anniversary in 1937.

The gathering four years ago launched a year of celebration in Holland which included resumption of Tulip Time on a national scale in May, and a four-day centennial homecoming in August, featuring parades, pageants and summertime activities. Throughout the year, the city was host to many conventions.

When Dr. Van Raalte emigrated from the Netherlands in the fall of 1846, he brought with him 53 persons. Holland's founder was accompanied by a small group in his initial visit early in February, 1847, but by March of that year the rest of the original group arrived from Detroit where the men had spent the winter working at the St. Clair shipyards.

Spring and summer of 1847 brought hundreds of immigrants. In June a delegation of 400 arrived at Zeeland under the leadership of the Rev. C. Vander Meulen and J. Van de Luyser.

The first year was in every respect a severe test of the courage of the colonists and the death rate was alarming, but the following winter was mild and colonists could build and perform outdoor labors and even eat in the open air.

George Jacobs Dies At Holland Hospital

George Jacobs, 81, died this morning at Holland hospital. He had been ill about a month and was taken to the hospital Wednesday. For the last several years he had lived with his son-in-law and daughter, Mr. and Mrs. Joe Garvelink, route 6.

Surviving are two daughters, Mrs. Sena Takens of Grand Rapids and Mrs. Garvelink; two sons, Richard of Grand Rapids and Harry of route 1, Holland; seven grandchildren; two sisters, Mrs. Henry Lemmen and Mrs. Ben Breuker of Holland, and a brother, Herman Jacobs, Holland.

The body is at Nibbelink-Notier funeral chapel where friends may call from 7 to 9 tonight. On Friday, the body will be taken to the Garvelink home where friends may call in the evening. Rites will be held Saturday afternoon, 1:30 at the Garvelink home and 2 p.m. at Graafschap Christian Reformed church. The Rev. Theodore Verhulst will officiate and burial will be at Graafschap cemetery. Arrangements are by Clarence Mulder. The family requests that flowers be omitted.

Ottawa Receives April Draft Call

Ottawa county will send 40 men to the Army in April, state draft director Col. Glenn B. Arnold said today.

The entire state will be called to send 4,228 men, with an overall of 705 men to take care of last minute emergencies and postponements, Arnold said.

Wayne county will furnish 2,250 men and the rest of the state 1,978.

Other West Michigan counties whose quotas were announced include Kent 95, Kalamazoo 40, Manistee 7, Muskegon 60, Van Buren 25.

Zeeland Resident Dies After Long Illness

Zeeland (Special)—Michael Baehr, 66, of North State St., route 1, Zeeland, died at Zeeland hospital Saturday after a lingering illness.

Surviving are his wife, Anna; one son, George Willard of Zeeland; two daughters, Mrs. Ivan (Nelda) Secord of Grand Rapids and Miriam of Zeeland; three grandchildren; one sister, and one brother.

Mrs. Ackerberg Has Birthday Luncheon

A surprise luncheon was given Tuesday for Mrs. Rose Ackerberg on her 70th birthday anniversary, at the home of her daughter, Mrs. John Steininger, route 1.

Heart Attack Fatal For Fruitport Resident

Grand Haven (Special)—James H. Cooper, 75, of 4199 East Pontaluna Rd., Fruitport, died Saturday afternoon at Municipal hospital. He suffered a heart attack while at home alone and later was found by friends and taken to the hospital.

He was born in Agelston township, Muskegon county, on Sept. 26, 1875. He had been sexton of the Fruitport cemetery and road commissioner of Fruitport township for the last 15 years.

Surviving are three sons, Paul and Robert of Fruitport and Luther W. of Clairmont, Calif., and one brother, Harry, of Kalamazoo.

30-40 Robberies Solved With Arrest Of Plainwell Man

Plainwell (Special)—Ex-convict Walter Murphy furnished his son's home with stolen goods and filled a garage with the overflow, according to officers who have recovered an \$8,000 load of goods including everything from liver pills to a nine-foot refrigerator.

Murphy, 51, admitted 30 or 40 robberies in Allegan, Kalamazoo and Van Buren counties when he was questioned late Monday. He insisted he never sold any of the merchandise.

Officers were taking inventory of the loot here and said they would issue a warrant later, probably on a breaking and entering charge.

New Paw state police, listing the biggest recovery of stolen goods in the past decade, were astonished at how well Murphy had stocked up. There were few duplications and he had shown a genuine penchant for taking radios. There were five portables, a combination and TV set.

Murphy's son, Eldridge, was in Kalamazoo county jail for questioning. The father, however, insists the son did not participate in the robberies. Murphy's daughter-in-law expressed surprise that her home was furnished with stolen goods. She said, "I asked my husband where the stuff came from, but he got mad."

When a van hired by police rolled away, all that was left as belonging to the Murphys were a stove, dining room table, food freezer and a kitchen sink.

The recovered loot included cards of bobby pins, three suits of bedroom furniture, four 9 by 12 rugs, a 16-foot plywood boat, two outdoor motors, shotguns, rifles, oyster crackers, clothes pins, sterling silverware, expensive liquor, imported perfumes, several men's suits, a sun lamp, dog food, 10 bottles of Carter's little liver pills and enough motor oil to start a thriving gas station.

There were huge quantities of candy, cigarettes and cookies. In the freezer was every variety of meat which officers said was all stolen. A davenport, washing machine, vacuum cleaner, end tables, chairs and a kitchen chrome set all followed in turn.

Murphy told officers he took a television booster unit and rotary motor for the antenna on a job at South Haven. He claimed he bought his own antenna.

He was arrested on a tip from a Plainwell businessman. Ten officers including Kalamazoo and Allegan sheriffs' departments, state police and post office inspectors aided in the investigation.

Henry Ykema, Formerly Of Holland, Succumbs

Word has been received here of the death of a former Holland resident, Henry Ykema, 66, who died of a heart attack Monday morning at Cutlerville. Born in the Netherlands Nov. 6, 1884, he came to Holland in 1903 and was employed at Rutton nursery. In 1916 he went to Ripon, Calif., where he operated his own nursery. He had been at Cutlerville the last four years.

Surviving are a half brother, Henry Woudstra of Holland, and several nieces and nephews.

Grant Release Motion

Grand Haven (Special)—Circuit Judge Raymond L. Smith Friday granted a motion made by counsel for Richard Radeck and Edward Blakeslee asking that the pair be released on \$2,500 bond each while an appeal is pending in Supreme court. The two were found guilty of a rape charge in a trial without jury last Dec. 23. They were sentenced Jan. 18 to serve 18 months to 15 years at Southern Michigan prison. Today's motion was presented by the pair's third attorney, the other two attorneys having severed their services with the pair.

Supt. Bert Bos Reports Progress On New School

**West Side Building
Should Be Ready
Sometime in March**

Supt. Bert P. Bos of the Holland Christian schools told the board of trustees, meeting in its regular monthly session Tuesday night, that the work on the West Side Christian grade school is progressing well and it should be ready for occupancy in March. He said plans for dedication and "open house" will be discussed soon.

The new school is located on Cleveland Ave. between 19th and 20th streets. It is designed along the same pattern as the South Side Christian school and will house pupils from grades kindergarten through the sixth.

In his report, Bos also recommended the reappointment of the present staff of teachers. Contracts are scheduled to be mailed out by March 1. The superintendent also proposed the appointment of five additional teachers before schools open next September. The list includes three grade school teachers, one high school and a remedial reading teacher.

He also told the board that the local Christian schools again are taking part in the annual Christian Foundation Day drive, sponsored by the Christian School Educational Foundation. All money collected in the campaign is to be used for Christian textbooks, Bos announced.

Bos also presented a detailed report on enrollment figures and trends in the local system. He presented the plan for reassignment of grade school pupils and teachers as soon as the new West Side school opens.

The Rev. Oliver Breen, president of the board, presided.

Saugatuck Fire Damage Assayed

Saugatuck (Special)—Fire damage of \$30,000 to buildings and equipment has been estimated by Frank Sewers, whose fish house and net storage house were destroyed by an early morning fire Sunday.

In addition, Ed Deneter set \$6,000 as the amount of damage when the same fire destroyed five cabins on his property.

The fire was discovered at 3 a.m. Sunday by a passer-by. When Saugatuck firemen arrived, the blaze was well begun. Cause of the fire is unknown. Firemen left the scene at 6:30 a.m.

Sewers said that one fish house and one storage house were completely destroyed, along with contents that included practically all his fish nets, motors, and other equipment. Further equipment in a second storage house was damaged slightly. The loss is partially covered by insurance.

Deneter's cabins are located east of the Sewers' buildings. A strong wind swept the flames from the fish house through the cabins and threatened the Deneter hotel, some 30-40 feet away.

Red Cross Adds Social Welfare Program Here

Sixteen local women have completed a 24-hour training course in social welfare work for the Red Cross. They had been meeting twice weekly in Washington school where they studied local welfare resources, needs of servicemen, ex-servicemen and their families, and the way in which Red Cross fits into the total welfare program.

Completing the course were Mrs. George Tinholt, Mrs. Andrew Klomprens, Mrs. Balfour Augst, Mrs. Henry De Weert, Mrs. Lester Pool, Mrs. A. E. Hildebrand, Mrs. George Patterson, Mrs. Henry Zweering, Mrs. Fred Beeuwkes, Mrs. Bertha Mattison, Mrs. James Nibbelink, Mrs. Floyd Ketchum, Mrs. W. J. Van Dyke, Mrs. Arie Weller, Mrs. Henry Ter Haar and Mrs. Lester Klaasen.

These volunteers will serve in various capacities, some in the Red Cross office, some making home calls and visits and others taking emergency calls at home.

A group will go to Grand Rapids Monday, Feb. 19, to attend a regional home service meeting conducted by Martha Henderson, field representative from St. Louis, Mo. Latest legislation affecting servicemen, ex-servicemen and their families will be discussed and studied.

In other Red Cross activities, 24 nurses aides met in Junior high school last week for a refresher course in nursing aide practices and procedures. Mrs. Howard Davis, R. N., instructed the group in nursing aide practices used at blood donor clinics. Plans also were outlined for the work of aides in case of disaster. Any trained Red Cross aide who would like to help at donor clinics or in any other capacity is urged to call Mrs. R. Burton or Mrs. A. Van Lopik, chairman and co-chairman.

The course in home nursing which is being conducted in connection with the Adult Education classes will be completed in another week. More than 20 women are enrolled in the 12-hour free course—the second class which Mrs. Davis taught in Holland. Plans call for a class in mother and baby care and anyone interested is asked to register with the local Red Cross office. Membership is limited to 15. Persons taking this course are required to take the home nursing course first.

Joe Bolte is teaching a course in junior first aid to the Pioneer club of girls which meets every Tuesday night in Immanuel church basement. About 20 are enrolled.

Mrs. J. De Weerd of Hudsonville member of the county Red Cross board, is teaching two classes of first aid in her community. Girl Scout troops are taking Junior first aid and the Mothers club of Chrysler school is taking standard first aid.

A home nursing class meets each Thursday evening in First Christian Reformed church in Zeeland. The class was organized by Mrs. M. Geerlings who represents Zeeland township on the county board. The instructor is Mrs. Davis. Plans are under way for an afternoon class after the present course is completed. Persons interested should register with the Red Cross office in Holland immediately since membership will be limited to 15.

\$20,000 Fire Hits Aggregates Corp.

Grand Haven (Special)—A \$20,000 fire swept the tool and machine room of the Construction Aggregates Corp. in Ferrysburg Monday night.

Chief Edward Koster of the Spring Lake fire department said the cause was unknown but may have started from defective wiring since flickering lights were noticed in the village 15 minutes before the fire alarm.

Fire was confined to the tool and machine room in a steel building where the plant stores pumps, motors, welding machines and other expensive machinery.

The fire started at 8:20 p.m. and was brought under control in a half hour, although firemen remained on the scene two hours before the blaze was completely extinguished. An oil house five feet away also caught fire but it was put out.

The Grand Haven fire department assisted the Spring Lake department.

Maple Hill

Mr. and Mrs. Albert Elliott and Miss Marjorie Elliott had as visitors their son and family, Mr. and Mrs. Doyll Elliott and children of Grand Rapids.

Following a reception, the couple left for a honeymoon in Chicago. The bride is the daughter of Mr. and Mrs. Jake Visser and the groom is a son of Mr. and Mrs. John Otten, all of Holland.

City Safety Commission Reveals Three Police Force Appointments

Three appointments were announced today for the Holland police department by the city safety commission.

Officer Ralph Woldring, after 11 years on the police force, has been appointed sergeant.

Clare Van Langevelde, following a six-months' period of probationary police work, has been appointed regular patrolman.

Richard Bonge, who has been a "special" for the past few months, was appointed department maintenance man.

The appointments were announced by the safety commission, which is composed of three aldermen. Robert Notter is chairman, and Anthony Peerbolt and John Van Eerden are members.

Woldring has been on the force since April 2, 1940, and has been the substitute desk man, furnishing relief for sergeants Ernest Bear and Isaac De Kraker.

Van Langevelde was appointed to the force on July 22, 1950, succeeding Wallace Vander Ploeg, who resigned. The probation period is part of the appointment procedure. Van Langevelde at present is on the 4 to 12 p.m. shift.

As new maintenance man, Bonge will be in charge of police properties and street painting, in addition to working special beats. The maintenance job is a full-time task. Bonge replaces Burton Borr, who is serving the probation period.

iod preparatory to becoming a regular patrolman.

The commission also approved adding another man to the force to fill a newly created shift working from noon until 8 p.m. The new position, starting May 1, will be on the traffic detail and will call for motorcycle patrol.

Chief of Police Jack Van Hoff pointed out that two-thirds of the traffic accidents in the city occur between 10 a.m. and 10 p.m., and the new shift will be an attempt to cut down the accident rate.

Sgt. Ralph Woldring

Douglas

Mr. and Mrs. W. J. McVea left Tuesday for a couple months' vacation at West Palm Beach, Fla. There was a meeting of the Parents and Teachers association at the school building, Wednesday evening.

Mr. and Mrs. Carl Tanner and family, of Wayland, were guests Sunday of Mr. and Mrs. Guy Shattuck at their home on Fremont St.

Mr. and Mrs. Gordon Durham announced the birth of a son, Joel Raymond, Feb. 2 at the Community hospital.

Mr. and Mrs. Walter Deinhart have closed their home on Union St., and with their sons are spending the winter in Florida and Havana, Cuba.

The second annual polio dinner, given Saturday night in the Social room of the Congregational church, was a great success. Over \$200 was cleared for the polio fund. Citizens were generous in donating the food for the dinner and the committee, Ev. Thomas and Mr. and Mrs. Gerald Bekken worked in making it a success.

The Holy Name society of St. Peter's Catholic church, had a get-together Tuesday at the Athletic club house. There was dancing and refreshments and a social evening. It was a pre-lenten party.

Mrs. Lee Demerest and Gloria Brooks have returned from a visit with friends in Belding and Grand Rapids.

Mr. and Mrs. Roy Senholtz of Plainwell were recent guests in the home of Mr. and Mrs. Charles Welch.

Memorial Rites

Memorial services will be held Friday at 8 p.m. for Pfc. Robert F. Smith, 24, who was killed in action in Korea July 20, 1950. Gerrit Dykman will be in charge of the service, which will be held at the City Mission. Members of the VFW post will form the honor guard. Pfc. Smith was the son of Fred H. Smith, Sr., 523 136th Ave.

Abraham Lincoln's official protest against slavery was registered as early as 1837 in the records of the Illinois state legislature.

Troop 12 Marks Scout Birthday With Special Event

More than 107 persons took part in the annual Family night banquet of Boy Scout troop 12 at Trinity Reformed church parlors Monday night. The event climaxed Scout Week which is themed around the 41st anniversary of the founding of Boy Scouting.

Troop chairman Earl P. Vanden Bosch was master of ceremonies and the banquet was arranged by the troop Mothers' club under the direction of Mrs. Edward Boerigter, president.

Herman Brandmiller, executive of the Grand Valley Boy Scout council, was speaker and titled his talk "You and Yours."

Brandmiller outlined the need for co-operation between the boy and his father. Too many parents today want organization leaders to be either father or mother to their children, he said.

"This will lead to a great misunderstanding not only in the home but in the state and nation," he said. "The dads of today need to spend more time with their sons, if they do no more than just talk with them. Today's dads are also asked to take an interest in their sons, giving them correction when they need it and understanding when it is needed."

Special recognition was given Scoutmaster Ernest Penna and assistant Scoutmaster Robert Rose by the troop committee, W. H. Vandewater, Chippewa district chairman, present a scout statue to Penna and a plaque to Rose.

At a court of honor held in conjunction with the event, the following received their tenderfoot awards: Dale Wieghmink, Terry Brower, Kirtland Speet, Wayne Wright, Bruce Stegenga, David Lee Houtman, Dick John Breddveld, Jr., and Robert J. Gras.

Garry Vanden Berg, Jr., was presented his first class badge and Frank Klomprens was presented his woodworking and home repair merit badges.

The following received their second class awards: Edward Van Eenennaam, Robert Holman, John Cook, Dale Crawford, Stewart Volkers, Dale Zoot, Clinton Mack, Kelly Van Lier, John Strayker, William Kuyper, Ronald Wiegierink, and George Boerigter.

Gerrit Wiegierink presented an award to Ken Bowman's patrol for selling the most Scoutorama tickets and for selling the most nuts and bolts for the Lions club leader dog fund.

Holland Man Injured In Traffic Accident

Thomas W. Smeenge, 49, of 320 West 17th St., was treated at Holland hospital for chest injuries received in an accident at 3:30 p.m. Saturday at the corner of 15th St. and Maple Ave.

Cars driven by Smeenge and Carl Boone McHargue, 32, of Saunders Ave., were involved in the accident. Smeenge was driving south on Maple and McHargue was traveling west on 15th at the time of the mishap.

McHargue was cited by Holland police for failure to yield right of way.

Absentee Ballots Now Available for Primary

Absentee ballots for the Feb. 19 primary election now are available at the office of the city clerk.

Only one ward will be faced with a contest next Monday. First ward voters will eliminate one of three candidates for alderman. Incumbent Anthony Nienhuis, Arthur C. Yost and John Emnick are in the running.

Absentee ballots must be returned to election officials by the time the polls close at 8 p.m. on election day. They may be returned either to the city clerk or to the polling place.

Reserve Officer Changes Noted

Commander I. L. Powell, of the office of Naval procurement in Chicago, revealed today changes in educational requirements for general line commissions in the Naval reserve.

College graduates who have completed mathematics through trigonometry either in college or high school, and six semester hours of physics now are eligible to apply for a reserve commission.

Powell further noted that applicants may be accepted four months prior to graduation, thus allowing many to apply who otherwise could not under old regulations. Students who have received educational draft deferments may apply now under the general line program, regardless of receipt of notice for pre-induction physicals.

Applications are being accepted at Naval Officer Procurement, 844 North Rush St., Chicago. Age limits are 19 through 26.

Taste and Odor Complaints Cited

In a recent letter to all Holland electricians, plumbers and water heater dealers, the Board of Public Works warned against water taste and odor complaints caused by some water heaters.

The letter follows:

"The Board of Public Works in their study of water taste and odor complaints have found several cases where the source of trouble was a magnesium rod installed in the hot water heater to keep the galvanizing on the tanks from coming off. This supposedly improved feature has been offered by most water heater manufacturers for the last year or two and is undoubtedly of value in some areas particularly where the water tends to be acid.

"In Holland and most cities in Michigan the water is hard and the magnesium rod not only is unnecessary but causes some of the hardness in the water to break down forming a gas which tastes and smells. This is in no way harmful but certainly is undesirable and can easily be eliminated by simply removing the magnesium rod."

What's its Power?

FIREBALL!

(Only Buick can make this statement)

BEND an ear to the deep baritone song of this marvel motor, and you'll know we aren't fooling when we call it Fireball.

What happens beneath that brawny Buick bonnet happens in no other car in the world.

Years ahead of the rush to high-compression valve-in-head engines, Buick was in there pitching for more power from every drop of fuel.

The result: a spectacular engineering phenomenon you feel the instant you touch toe to gas treadle. A rapid-fire sequence of tiny tornados, let loose their pent-up power every five inches a Buick travels.

If you could look inside that Fireball engine, you'd see why. Instead of the flat-top pistons used in other cars, Buick uses a turbo-top piston, like this:

So the inrushing fuel whirlwinds into a compressed ball that adds a super-urge to the downstroke of the piston.

And you get the thrill—and thrift—of this Buick "first" in every mile you drive.

More, you get a tried-and-true engine that's been polished and perfected in every detail up through the years.

Again and again, compression ratios have been stepped up to keep pace with advances in fuels. Self-setting valve lifters contribute to silence. Micropoise balance and Hi-Poised engine mountings add two more Buick exclusives.

And the silken might of this Fireball's power has been made more beautifully obedient by still another "first"—Dynaflo Drive.*

So we list as a prime reason why "smart buy's Buick" this Fireball power plant—and a host of happy owners will say "Amen."

Better see your dealer soon.

Schools Adopt New Policies for Student Vehicles

Five-Point Program Launched to Alleviate Growing Traffic Hazard

Because of increasing hazards on Holland streets, especially in the area around River Ave. in proximity to Holland Junior and Senior high schools and Holland Christian Junior and Senior high schools, new policies have been adopted for the use of bicycles, scooters and cars used by students.

Policies were adopted following conferences of representatives of the schools, the police chief and municipal judge. Rather than hale violators into the court or before the police chief, the new program of safety education in the schools was adopted.

Copies of the new policy were distributed among trustees of the Board of Education at their regular monthly meeting Monday. Supt. C. C. Crawford explained that the study was conducted after increasing misuse of vehicles by students.

The five-point policy follows:

1. In the elementary schools bicycles are to be ridden to school only on the basis of permission by the teacher in charge of safety or the principal of the school. Ordinarily it is expected that a student living less than a half-mile from school will not need to ride a bicycle. (In bad weather the use of bicycles should be discouraged).

2. In the secondary schools permission to drive cars, ride scooters and bicycles to school must be obtained from the principal of the school or the designated official of the school, such as the chief of police, or the teacher in charge of safety. Ordinarily it is expected that no student who lives less than one mile from school will need a car, scooter or bicycle at school.

3. In order to obtain permission for the riding of bicycles, scooters or the driving of cars to school, it will be the responsibility of the parents to request such permission on application blanks provided by the school.

4. Permission for the use of bicycles, scooters and cars may be withdrawn if the users do not observe the traffic rules and proper safety precautions. (Attention is called to the law that mufflers are required on all motor vehicles).

5. Students at Holland high school, Junior high school and Holland Christian Junior and Senior high schools who have permission to use the vehicles, are expected to use them only for coming and going to and from school. If school officials or city police observe students using them for other purposes, especially during the noon hour, permission for their use may be withdrawn.

Kent Officers Appeal Smallegan Verdict

Sheriff Hugh Blacklock and Deputies Arthur Tanis and Jack West of Kent county have filed an appeal from the \$900 verdict awarded by a Kent county circuit court jury to Mrs. Russell Smallegan of Forest Grove who brought suit against the officers after a wild midnight chase last March. The judgment was awarded Jan. 11, which was 10 months after the chase last March when officers fired repeatedly at the truck driven by plaintiff's husband. At least 20 slugs from officers' guns hit the truck.

Mrs. Smallegan based her complaint mainly on contentions that the deputies were not in uniform and in an unmarked car. She said they did not identify themselves as officers until after the wild 90-mile-an-hour chase ended 10 miles from the spot it began.

Wooden shoes, Holland's traditional gesture of welcome to distinguished guests, hold the center of attention at this point of the Lincoln Day banquet Tuesday night, sponsored by the Ottawa County Young Republican club. The shoes were presented to Frank G. Millard (right), state at-

torney general who delivered the main address. Left to right are H. James Wierenga, president of the Young Republican club, D. Hale Brake, state treasurer; Eleanor Duffy, vice president of the Young Republican club, and Millard.

Lincoln Type Leaders Needed Today: Millard

"Our paramount need today in the Republican party and in our country is for leaders of Lincoln's type—men of tolerance, charity, knowledge and common sense!"

So said Attorney General Frank G. Millard in an address before a Lincoln Day banquet Tuesday night in the VFW hall, sponsored by the Young Republican club of Ottawa county. About 250 attended.

Millard was presented with an appropriately engraved pair of wooden shoes at the close of the program, Holland's traditional gesture of welcome to distinguished guests.

On the 142nd anniversary of Lincoln's birth, Millard traced the early history of this country's first Republican president whose acts and deeds have made him immortal so far as American history is concerned. He then compared and analyzed crises as they confronted presidents, then and now.

He lashed at the current deficit financing program and the socialistic trends in the federal program, and the even constant threat of national bankruptcy which would make this country a ripe target for Communism.

"World War I cost \$50 billions and at the end of the war we were left with a \$25 billion debt. World War II cost \$500 billions and we were left with a debt of \$250 billions which instead of being decreased is now being increased by deficit spending. Project these same figures and using the same scale, World War II would cost \$5 trillions and leave us with a debt of \$2.5 trillions. If such a thing happens, it would mean the destruction of our dollar, the wiping out of all savings for old age benefits, and probably the confiscation of all property rights," Millard said.

"With all the confusion in Washington, the future lies before us and we must do all in our power to keep our country on an even keel and now allow the ship of state to sink in the morass of Communism. A solution is in our hands as long as we can vote, but the people must be advised of the necessity of expressing themselves by their vote and of the dangers facing our country. We must eliminate confusion and we must eliminate those who are the cause of this confusion," he concluded.

State Treasurer D. Hale Brake brought greetings from Lansing. He said people may be a bit mystified over the apparent harmony in Lansing at the moment but added there has been no change of policy and no change of intent on either side—only the attacks are more subtle. He branded the governor's proposed budget as a "phony" pointing out it did not include the \$7 million increase voted for civil service workers.

A surprise visit by the Flint Antlers, nationally famous barbershop quartet, provided entertainment rating star-billing according to the enthusiastic response of the guests.

Prosecutor Wendell A. Miles was toastmaster. Clarence J. Vining led the singing of the Star Spangled Banner and Dr. E. H. Boldrey of Grand Haven gave the invocation. H. James Wierenga, president of the Young Republican club, welcomed the guests and James F. White, organizational director for the State Central committee introduced the speaker.

Presentation of wooden shoes was made by Lester De Ridder.

Driver Injured

Russel Dykema, 38, of 596 Crescent Dr., was treated at a local doctor's office for a bruised left leg following a traffic accident Tuesday at 10 p.m. at the corner of Ninth St. and Maple Ave. Dykema was driving west on Ninth when struck by a taxicab driven by Burton Smith, route 4. Smith was given a ticket for failure to yield right of way.

Holland Reserves Trip Grand Haven

Grand Haven (Special)—Holland high's reserve basketball team annexed its seventh Southwestern conference victory against a lone league defeat Friday night by tripping the Grand Haven seconds, 38-27.

The junior Dutch of coach Bob Connell turned the trick by outscoring the little Bucs in each period. Their halftime lead was 18-12. The figures for quarter scoring rounded out oddly, with Holland scoring eight in the first stanza and 10 in each of the other three.

The Dutch built their victory margin by sinking 13 field goals and only 12 of 26 free throw attempts. Grand Haven had nine field goals and nine of 19 charity attempts.

High point man for Holland was Jack Kemper, with 12 points. Dean Vandervall was next with nine, followed by Carl Vischer with six, Ron Israels with five, Orville Tien with four and Terry Burns and Dick Crawford one each.

Van Schelven scored almost half the Bucs' points, with a 13 point contribution. The win gives Holland a season's record of 10 wins, two losses.

Nine Drivers Fined In Municipal Court

Nine drivers paid traffic fines in Municipal Court Monday and Tuesday.

Chester Alofs, route 3, paid \$17 fine and costs for failure to observe due caution. Philip A. Haan, 537 East Central St., Zeeland, paid \$15 fine and costs for failure to observe due caution. Louis Schaap, route 5, paid \$7 fine and costs for making an improper right turn.

Paying \$1 parking fines were Paul Green, 88 East 16th St.; Robert C. Dobb, 294 River Ave.; Franklin Bronson, 120th Ave.; Mae De Jonge, Zeeland; Melvin Maddermom, 1200 Beach Dr.; and Robert Bond, 360 River Ave.

Armstrong, Eggers Combine to Score Forty-Five Points

Grand Haven (Special)—With Bob Armstrong and Roger Eggers combining to score 45 points, Holland high school's basketball team thumped a stubborn Grand Haven quintet, 55-41, in a Southwestern conference game here Friday night.

It was a revenge victory for the Dutch, atoning for an earlier humiliation defeat at the hands of the Bucs at Holland, 48-47.

Armstrong blossomed into a star scoring role for the first time this season for coach Fred Weiss' cagers by netting 24 points. Eggers was close behind with 21 points. Neither total could have been reached, however, without constant feeding by the rest of the players.

Holland never trailed in the rough and tumble contest, but coach Steve Sluka's five made things hot most of the time. The Dutch led 9-6 at the end of the first quarter, and lengthened the lead to 23-18 at halftime.

At the end of the third period, Holland enjoyed a 39-28 advantage, but three quick buckets narrowed the gap to five points and put the Dutch in hot water. However, in the final period, Eggers dropped in five points and Armstrong seven to assure the victory.

Only 26 personal fouls were called during the contest—15 against Holland and 11 against Grand Haven—and only one player, Bob Tasma, was put out on fouls. But the contest was the roughest of the year for both squads.

Tasma received a gash above the eye in the second quarter after he cracked skulls with Tom Maentz, and had to retire to get the wound dressed. In the same period, Buc Kammeraad struck his head on the floor after a collision with Eggers, and was knocked unconscious. When revived, he was taken to the hospital for observation.

The winners enjoyed a good night from the foul line, hitting on 11 of 14 attempts. They connected on 30 per cent of their "out-court" shots, too, making 22 of 73 attempts.

However, all but six of these field goals were dropped in from within the free throw lane. The Dutch were cold on long shots, but made up for it with repeated tip-ins and dog shots close in.

The Grand Haven scoring was stretched over almost everyone that played. Bill Holman paced the pack with seven points, while Dick Berg, Jay Casemier and Frank Nusbaum each had six.

The distribution of scoring was either an indication of the Bucs being way off on their shots, or else a tribute to the excellent defensive tactics of the entire Dutch squad. Holland had little trouble controlling both boards.

The victory upped Holland's conference record to five wins and three losses, and gave the Dutch an 8-4 mark for the season. Grand Haven's league record now is one win and seven losses.

Kalamazoo is next on the list for Holland, with a Thursday night game scheduled at Kalamazoo. The Maroon Giants won the first meeting of the two teams 47-35, at the Armory in January.

Recreation 'B' Clubs Set for Three Games

The "B" Recreation league will meet tonight in the high school gym and play a three-game card, the first game starting at 6:30.

That first game will feature the Tulip City five against the Independents.

Second game at 7:30 will pit the Hotshots against the Pelon Sunoco quintet and the third game will see the Hoosier Hotshots meeting the Kopper Kettle five at 8:30 p.m.

Wildlife tracts are best observed after rains, as in mud along stream banks, or following light falls of wet snow.

Milk Dealers Meet

Grand Rapids (UP)—Grand Rapids milk dealer and producer groups will hold a meeting today in which a demand for a boost in prices to producers will be discussed. If the boost is granted, it will mean higher milk prices to the housewife.

Maine consistently is the leading state in the production of potatoes.

Hearts and flowers and sentiment—that's usually stuff for sales, but Jay Allen Lohman, 5, figures Valentine Day is an exception, and he just went overboard with sweet thoughts for his best girl friend. At five, this young man's list of girl friends is still topped by Mom, and she was the lucky gal who got the big heart-shaped box of candy being purchased by the youngster from Amelia Fabiano. Jay Allen is the son of Mr. and Mrs. Jerry Lohman of route 2, Hamilton.

College President Cites America's Role in World

To Mark Birthday

America's heritage—the great hope in a troubled world, was pointed out to members of the Woman's Literary club Tuesday afternoon by Dr. Irwin J. Lubbers, president of Hope college, in an address in keeping with the anniversary of the birth of Abraham Lincoln, the great American. The struggle for freedom for the individual is constantly going on, he said, and if this country is to remain free, certain challenges present themselves.

Dr. Lubbers emphasized the importance of keeping this country from going bankrupt by developing all resources and demanding that the government be operated as a sound business enterprise.

In addition "we must shoulder the burdens of the world, for Europe is between the fear of Communism and the hope of America. We must save the world from slavery or become slaves ourselves," he said.

"What we need is to restore among ourselves integrity in the use of personal language, avoiding the confusion of catch phrases and slogans, and to reassert our belief in the individual person in relation to life, liberty and pursuit of happiness," he said.

"Our job is to see that this country is worth the sacrifices being made for it. We are challenged as a nation and as individuals," he said. "Free men must be God-worshipping or they will be victims of totalitarianism."

Mrs. Clyde Geerlings presided. Bob Nykamp of Holland high school announced the senior play to be presented next week in the school auditorium.

Mrs. Gerrit Schrotenboer Dies of Heart Ailment

Mrs. Gerrit G. Schrotenboer, 67, of route 6, died Thursday noon at her home of a lingering illness, caused by a heart condition.

She was a member of Graafschap Christian Reformed church and a charter member of the Ladies Aid.

Surviving are the husband; two daughters, Mrs. Percy Peterson and Mrs. Willard Willink; a daughter-in-law, Mrs. John Jacobs; 11 grandchildren; two great grandchildren; two sisters, Mrs. John Alfs and Mrs. John Schaap, and three brothers, Martin, John and Gradius Den Bleyker.

Ottawa 4-H Leaders Attend Training Meet

Ottawa county 4-H leaders attended a winter training meeting at Hudsonville, Wednesday. Consumers Power representatives, C. E. Hansen and Marvin Heft, were on hand to work with electrical leaders; assistant state club leader, Miss Marie Wolfe, worked with sewing and knitting leaders; assistant state club leader, P. G. Lundin, worked with the handicraft leaders. In addition, three Ottawa county local leaders, Mrs. Joe Crouse, Ed Henning and Mrs. Jack Ferver, worked with leaders interested in plastics, ceramics, metal tapping and leather.

The 4-H council with Mrs. Caroline Ade acted as chairman and served refreshments at the end of the training meeting. Council president, Wilford Merz, worked with Mrs. Ade in conducting this meeting.

Holland Post Office Gets New Smokestack

A new smokestack, replacing the original one in use since the building was erected in 1915, is being constructed at the Holland post office.

"The old one just wore out," postal officials said.

The construction company doing the work is the Kokomo Boiler and Welding Co., of Kokomo, Ind., which was low bidder on the project.

Good Management Needed in Chick Brooding Method

'Cold Room' Technique Attracts Poultrymen During Farmers' Week

Techniques of "cold room" brooding attracted many poultrymen during Farmers' Week, held recently at Michigan State college, when J. M. Moore, extension poultry, specialist, explained this method of handling birds.

"Cold room" brooding is brooding by electricity, he pointed out. It means that there must be sufficient heat under the brooder, but that there will still be a greater difference between the temperature under the brooder and the rest of the room.

Outlying advantages, Moore advised that fire hazards are reduced and less labor is required since it is automatic, provided electric power is constant.

Faster feathering takes place in "cold room" brooding than when temperatures are too constant throughout the entire room, Moore says. This will also result in less cannibalism and better growth.

Some people try to conserve electricity by not maintaining high enough temperature under the brooder to start the chicks. This causes crowding, mortality, and reduced growth.

Some operators leave feed and water outside the brooder. Because it is so cold outside the brooder, chicks will not get feed and water. Poor health and starvation result.

Wet litter can develop under the brooder due to condensation of moisture unless a "built-up" or deep litter is used.

"Cold room" brooding is finding increased favor with poultrymen through the state, Moore says, and if offers a number of good features that operators may wish to investigate.

LATTERDAY CHIVALRY

The greatest lift that has been
given so far in 1951 to mankind's
faith in human courage and digni-
ty was doubtless the act dramati-
zed by the recent dedication of
the Chapel of the Four Chap-
lains in Philadelphia. In commem-
orating a 1943 act of sacrificial
devotion on the part of four young
men, two Protestants, a Catholic
and a Jew, it pointed up the fact
that chivalry did not die with the
age of chivalry but has merely as-
sumed new forms.

The most celebrated act of
chivalry itself was perhaps that of
Sir Philip Sidney, a story that
every schoolboy or girl is being
told to this day. Sidney, a high-
born aristocrat, brought up in the
tradition that common soldiers
are mere cannon fodder and that
the aristocrats had privileges that
common men might not aspire to,
virtually gave his life for one
who was completely anonymous.
Both of them lay wounded in
Flanders. With only enough water
in his canteen for one, the aristo-
crat gave it to the unit of cannon
fodder lying beside him and stood
as best he could the thirst that
was a prelude to his death.

The case of latterday chivalry
celebrated in the dedication of the
Philadelphia chapel involved more
men and the circumstances were
different, but the spirit was the
same. If anything, the 1943 in-
stance was more dramatic than
the case of the Elizabethan aristo-
crat and the common soldier. The
four young Americans delibera-
tely gave their lives to anony-
mous American soldiers when
they were sinking, giving evidence
thereby that they had even greater
love than those who give their
lives for their friends. They prob-
ably hardly knew the men to
whom they resigned their belts.

The Chapel of the Four Faiths
is a worthy tribute to their act
of devotion. But there is some
danger that the legend of which
it is a dramatization will as time
goes on degenerate into a mere
gesture of denominational propa-
ganda. Or perhaps into a gesture
of a somewhat factitious unity
of what is known as "church uni-
ty."

The sacrifice of the four heroic
young American chaplains was
far more significant than that. It
was a reassertion of human digni-
ty that heroic men and women
of all ages have from time to
time displayed—even during ages
that antedated all denominations
and churches and ages of chivalry.
Such acts in all ages have al-
ways given a lift to the human
spirit; they have buttressed the
undying faith that at his best man
is but a little lower than the an-
gels.

'No Parking' Signs
Posted Around City

Seventy-five signs telling
drivers to park on only one side of the
street have been placed around
the city by Holland police.

The "No parking this side"
signs have been put on narrow
streets to lessen the dangers of
collision due to accumulated snow
at the curbs, police said.

Chief Jacob Van Hoff urged
motorists to co-operate with the
plan, and also suggested that driv-
ers park on only one side of nar-
row streets even though no signs
have been posted.

Chooses Jail Term

Grand Haven (Special)—Walter
Hyde, 43, Grand Haven, ar-
rested by city police Saturday on
an old warrant charging assault
and battery, chose to spend 15
days in the county jail rather
than pay \$10 fine and \$7.55 costs
when arraigned today before Jus-
tice George Hoffer. The warrant
was issued last November in con-
nection with an assault and bat-
tered offense upon Homer Runion
of Grand Haven. Hyde was held
in jail over Lincoln's birthday
since court cases cannot be pro-
cessed on a legal holiday.

Lesson

February 18, 1951
Jesus Christ
Mark 8:27-37
By Henry Geerlings

Jesus was bringing to a close
His ministry in Galilee which had
extended a period of almost two
years, and in all of that time He
had nothing of greater signifi-
cance than to call upon His dis-
ciples for an expression of their
faith in Him. That was no mean-
ingless question. At the basis of
all they were to do in His name
in the years to come there would
lie a statement of their faith in
Him who had both called and
commissioned them.

While working in Galilee He had
performed many astonishing mir-
acles, the result of which was a
large following of people who at
least called themselves His dis-
ciples. But that attachment to
Him grew out of the healing He
worked on their sick and of the
miraculous food He provided for
them. These naturally would fall
away. But what of the disciples?
Would it be any better with
them? Did they have the right
faith?

Jesus' inquiry first concerned
the outer circle. Did these people
who were speaking His praises
and professing to belong to His
group know what it was all
about? Were they after Him for
the loaves and fishes? Would they
be true under fire? What was
their conception of Him? These
things were important.

Their estimate of Him was cred-
itable. They likened Him to some
of the best men in all their long
history—John the Baptist, Elijah,
Jeremiah, or some other great
prophet. Even a casual acquaint-
ance with Jesus gave them the
highest respect for Him. But to
them He was not the Messiah and
that is where they fell short. He
was more than any man who had
ever lived and they did not see
that quality in Him.

Would the disciples have a more
accurate and vital faith in Jesus
than did the outer circles? That
was a very important question.
They would have the opportunity
to answer for themselves. They
had been with Him for something
like two and a half years and
could study Him as no others
had. Would it be found that He
had been able to form in their
minds the belief in His Deity?
Was He man only, or was there
in Him a nature that man had
never been able to achieve? What
would their answer be?

Peter was the leader of the
little group. When anyone spoke
for all of them he did it. And now
it was his time to answer the
question Jesus put to them, one of
the most searching questions ever
put to any man. But were the
twelve of one mind? Did one
think one thing and the others
something else? That was impor-
tant also.

Peter spoke promptly and posi-
tively. There was no doubt in his
mind. He had come to conviction
on this matter. He had studied
Jesus from all angles, and now he
was ready to declare himself. His
confession of faith was that Jesus
was the Christ, the Son of the
living God. This brief statement
has been the living germ of many
a creed. It is the sum and sub-
stance of the faith of Christians
the world over. We have reason to
believe that Peter put into that
confession the substance of what
we put into it today.

To confess Christ means that we
are willing to make it known that
we believe in Him and are His
disciples. It means saying a good
word for Him. It means that we
believe He will do for others
what He has done for us. It means
that we are not so much ashamed
that we conceal every trace of
evidence that we believe what
men call the Christian religion.

What people believe about
Christ must show in their lives. If
they confess Him as the Christ,
as the disciples had just done,
there must follow a loyalty to
Him that cannot be shaken. Jesus
gave the disciples three steps in
true loyalty—never put self in the
supreme place; show willingness
to face shame and loss rather
than surrender the truth; persist
in following Him.

Concentrating entirely on self-
ish interests is sure to cause the
loss of higher interests. Once this
is lost no one has earthly pos-
sessions sufficient to buy it back.
Refusal to follow Him, even doing
so hard, is the forerunner of
being rejected at last by Jesus.
He expects His followers to con-
fess Him publicly to prove the
sincerity of their confession by an
unfailing loyalty to Him.

No one who thinks can escape
some kind of an opinion about
Jesus. To dismiss Him with a
wave of the hand is cowardly. He
is too great, too much woven into
the very fiber of the world's life
to get rid of Him easily and then
claim respect for one's thinking.
Who is He? What is He? What
do you think about Him? Has He
said anything, has He done any-
thing, is He anything that appeals
to you and for which you have
reason to be thankful? Can He
inspire your thinking? Does He
have anything that will touch
your life into a flame of good-
ness and service?

As an honest thinking man or
woman, you just have to make
some confession of Jesus. And if
Jesus is who He claimed to be, if
He spoke words of eternal wis-
dom, if He has the power to in-
spire you to a better life, if He
can reveal God to you as no other
can, then may He not in all
fairness ask for your loyalty and
undivided service? You should love
the highest when you see it, is
the thought of a great poet. Is it
not true?

Netherlands Woman Studying Local Education

Representatives of the Hope
college departments of mathemat-
ics, physics and economics view
the portrait of Queen Juliana of
the Netherlands with Miss Maria
an Der Rijn of Amsterdam, the
Netherlands, in the Juliana room
in Durfee hall.

Miss Van Der Rijn is in this
country as a guest of the National
Education association. She is re-
presenting the A. U. M. O., a simi-
lar organization in the Nether-
lands, and while in this country
will study particularly education
in relation to young women.

She arrived in the United States
last October and has been study-
ing for the last few months at the
University of Illinois. While at
the university she became ac-
quainted with Dr. Frederick Steg-
gerda, a native of Holland, Mich.,
and a graduate of Hope college.
He advised her to continue her
study in Holland. Miss Van Der
Rijn expects to remain here about
two weeks, becoming acquainted
with the educational programs at
Hope college, Holland public
schools and Holland Christian
schools.

From here Miss Van Der Rijn
will study educational systems in
Ohio and Kentucky and will re-
turn to the Netherlands in April.

Local Boy Scout Leaders Review
Unit Activities During Past Year

With the closing of Scout Week
for 1951 today, local Scout offi-
cials took check of some of the ac-
tivities accomplished by area units
during the past year.

Almost 200 Explorers, Scouts
and Cubs took part in the Grand
Valley council circus at Grand
Rapids last spring, and even more
participated in various service
projects in connection with Tulip
Time. Activities included ushering,
manning information booths and
helping with parades.

Later in the spring, Scouts and
Explorers attended the district
camporee near Grand Haven. Dur-
ing the summer, many learned
swimming and life saving with
the Red Cross at Pigeon river,

an about 150 of them went to
summer camp.

Fourteen scouts and explorers
from the Chippewa district at-
tended the national jamboree at
Valley Forge, Pa., the high point
in almost any Scout's experience.
The fall camporee was combined
with a court of honor, and was
highlighted with an unusual In-
dian dance.

Christmas time was marked by
the vesper service and white gift
program, joint efforts with the
Camp Fire girls. To wind up the
year, the district held a Scouto-
rama, with 300 Cubs, Scouts and
Explorers taking part. To top off
the year's activities, more than
100 new members of the Scouting

movement were signed up during
the past 12 months in the dis-
trict.

On the national scale, 1950 saw
an increase of 15,707 members,
for a gain of 8.4 per cent. This
brought the movement to its all
time high of 2,795,222 boys and
adult leaders enrolled, and the
boy membership reached the two
million mark for the first time.

Boy members included 2,071-
649, while adult leaders numbered
723,573. In addition, there was a
total of 78,716 units in the coun-
try on Dec. 31. All three items
showed large gains over figures
for 1949.

Admitted to Holland hospital
Monday was Mrs. Marion Spyker,
41 East 14th St.

Discharged Monday were Mrs.
Phyllis Tharp and baby, 444 West

Christian Veteran's Choir to Sing Here

A concert was presented by
the Christian Veteran's choir of
Grand Rapids, in Central Avenue
Christian Reformed church Wed-
nesday at 8:15 p.m. The public
program was sponsored by
the church Sunday school.

The choir has begun its fifth
year under the direction of Albert
P. Smith. The director and all
choir members served in the ar-
med forces during World War II.

Before the Christian Veteran's
League of Grand Rapids took over
sponsorship of the choir it was
known as the Calvin Veteran's
choir. Because many of the mem-
bers were graduated from Calvin,
veterans with church affiliations
were invited to join and spon-
sorship was taken over by the league.
Since its establishment four years
ago the choir has toured eastern
and midwestern states, giving
more than 120 concerts. There

are 46 members in the choir.

The choir specializes in singing
sacred music. Featured this year
are three well-known children's
numbers with Roger Roskamp,
seventh grade Oakdale Christian
school students, singing the solos.
Mr. Smith is head of the music
department of Grand Rapids Jun-
ior college. Miss Edna Casemier,
organist at West Leonard Christ-
ian Reformed church, Grand Ra-
pids, is accompanist.

Calvin Students Lead Meeting at Hope College

Beverly Davey, Marilyn Nyhu-
is and Gordon Gritter, Grand Rapids
students attending Calvin college,
led the devotional period at the
morning service in Hope Mem-
orial chapel Tuesday. The special
service is one of five being held
this week at Hope in connection
with Religious Emphasis week,
held annually on the campus.

Miss Davey, a junior at Cal-
vin, sang "As A Shepherd" by
Van Dyke and was accompanied
by Miss Nyhuis, a senior. Gritter,
Calvin senior, acted as chairman.
Dr. John Calvin Reid, pastor of
Mount Lebanon Presbyterian
church of Pittsburgh, Pa., is pre-
siding a series of five messages
before the Hope student body and
citizens of Holland this week and
is holding private conferences as

well as question and answer pe-
riods with members of the YM and
YWCA's. His subject for Tuesday,
"Cost of Conquest."
Pictured left to right are, seat-
ed, Beverly Davey, Marilyn Ny-

Mural League
Standings Shift

The Holland Junior high Intra-
mural league had some changes
made in league standings last Sat-
urday, when the loop teams met
in regular competition on the Jun-
ior high cage floor.

Two defeated teams, the Wol-
verines and the Ramblers, met for
the first time with the Wolverines
earning a hard-fought 21-19 vic-
tory. Del Grissen's last second,
desperation long shot broke a tie
and gave the Wolverines the vic-
tory and, along with it, first place
in the league standings.

In another rough contest, two
winless teams clashed with the
Tigers winning, 27-18 to shove the
Jaguars into the cellar.

Final game of the afternoon
saw the Globetrotters running
roughshod over the Bombers, wal-
loping them 46-18.

Standings:

	W	L
Wolverines	5	0
Ramblers	4	1
Globetrotters	3	2
Bombers	2	3

Sunday Hunting
Will Be Aired

Sunday hunting regulations in
Ottawa county will be discussed
at the annual business meeting
of the Holland Fish and Game
club Thursday at 7:30 p.m. in
the basement auditorium of the
old Federal school on East Eighth
St.

Other business will include the
president's report which will
review the year's activities. The
treasurer will present his report
along with committee reports.

Joseph C. Rhea, club secretary,
announces that four directors will
be elected and urges that all
members be present.

Fish prizes will be awarded.
The program will conclude with
lake trout films and lunch.

Dairy Day Set
At Grand Rapids

Annual Western Michigan Dairy
Day has been scheduled for Fri-
day, Feb. 23, according to an-
nouncement today. The meeting,
one of the most important dairy
events in the state, will be held
at the Pantland hotel, Grand
Rapids.

Between 600 and 1,000 are ex-
pected to attend the event. Many
dairymen from Ottawa and sur-
rounding counties plan to be pre-
sent.

Opening event will be at 10
a. m. when a movie, "Waves of
Green," will be shown. Opening
remarks will be given by E. L.
Anthony, dean of Michigan State
college.

A principal speaker at the
morning session will be Charles
Flyg, commissioner of agriculture,
who will speak on "Michigan
Livestock Disease Control Pro-
gram." W. D. Knox will discuss
"Healthy Livestock for a Per-
manent Agriculture."

Following lunch at noon Breed
association meetings will be held.
Five divisional meetings, accord-
ing to five breeds, will be held,
beginning at 1:30 p. m. Anyone
may attend any of the meetings,
it was announced.

Recreation Loop
Games Played

The Holland Recreation league
met in the Armory Saturday
morning and the eight teams in
the two leagues played four
games.

In the American league, the
second place Wolverines downed
the Badgers 27-15 and the leading
Wreckers extended their win
streak to six, stopping the Indians
25-16.

The National league leading
Leftovers extended their streak
to seven games, beating the Ho-
boes 24-15. In the other Nation-
al league game, the Globetrotters
moved into a second place league
tie with the Spartans by defeating
them, 27-14.

Standings, American League	W	L
Wreckers	6	0
Wolverines	4	2
Indians	3	4
Badgers	0	7
Standings, National League	W	L
Leftovers	7	0
Spartans	3	4

Suburban Harrington
Rips Federal Cagers

Suburban league Harrington
squashed Federal 46-12 at the
Beechwood gym last week to
lengthen its unbeaten string
through five conference games.
Harrington was hitting the bas-
ket from all angles during the
game, exhibiting deadly accuracy
on some long out-court shots.

The Suburban league is com-
posed of Harrington, Beechwood,
Lakeview, Waukegan and Fed-
eral schools, with present league
standings in that order.

Civil Air Patrol
Meets at Airport

A total of 46 persons attended
an organization meeting of Hol-
land's Civil Air Patrol Sunday
afternoon at Park township air-
port, according to director Dr.
W. G. Henderson.

"A guest official expressed
amazement at the large turnout
and said it was the finest he had
seen in recent months," Dr. Hen-
derson said.

Lt. Col. Walter C. Gernt of the
Civil Air Patrol headquarters in
Grand Rapids explained the
CAP's program.

The CAP aids in search and
rescue work in connection with
the Air Force. The CAP's
work also includes co-or-
dination with state and local
police on traffic control and emer-
gency situations.

One of the big portions of the
program is training cadets. This
includes ground school subjects
and cadets, on completion of these
courses, receive certification that
is accepted by the Air Force upon
enlistment.

Youths must be between the
15 to 18-year-old age bracket to
enroll as cadets, Dr. Henderson
said.

Applications for cadet members
are not open until completion of
the local squadron.

Some members who were in the
organization several years back
and who attended Sunday's meet-
ing included Henry Ter Haar,
Dick Zwiap and Mrs. Alice Yost.

Delores Oonk and Marcia Van
Huis.

Maplewood Mothers
Have Regular Meet

The Mothers club of Maplewood
school held a regular meeting
Monday evening at the school
house with Mrs. Jack Van Deusen,
president, presiding.

During a business session, a new
constitution was read and adopt-
ed. Plans were made for a baked
goods sale, with Mrs. John Tuber-
gen and her committee in charge.
Those willing to contribute are
asked to contact the committee.

It was suggested that teachers
be invited to the club meetings
and the idea was unanimously
adopted, with a special invita-
tion to be extended for the next
meeting, March 12.

Mrs. Russell Harrington was
appointed to investigate the pro-
curing of proper blackout curtains
for school rooms to improve mo-
tion pictures for the children. It
was decided that a telephone is
needed in the school.

A need for different toys in the
kindergarten was expressed and
members were asked to contribute
any toys their children had out-
grown.

Following a collection, refresh-
ments were served.

Patricia Doherty Honored
At Dinner, Slumber Party

Miss Jackie Smit, East Seventh
St., entertained a group of friends
at a dinner and slumber party
Friday night, honoring Miss Pa-
tricia Doherty, who will become
the bride of Donald Sprong on
March 31.

A Valentine theme was car-
ried out in decorations. Dinner
was served by candlelight.
Attending were Misses Patricia
Arentz, Shirley Victor, Joan Hin-
dert, the guest of honor and hos-
tess.

Dutchmen Stall
Three Minutes
To Annex Win

The second half jinx that has
plagued Hope's basketball squad
this year sat on the sidelines
Tuesday night and watched the
Dutchmen annex their first MIAA
victory of the season, beating
Alma 54-46.

The Dutch have been halftime
leaders in three of the five con-
ference games they've lost this
season, but the second half has
each time been too much for the
locals.

Such wasn't the case Tuesday
night. At the half the score was
tied at 23-all, and according to
all past records that should have
meant Hope would simply lose by
a bigger score.

Instead, coach Russ DeVette's
club came out strong in the sec-
ond half and traded point for
point with the Scots, the team
that had been only twice beaten
in league play before Tuesday's
game.

In the first 10 minutes of the
second half, the lead changed
hands several times as the scores
mounted through the 20's and 30's
and low 40's.

During this time the largest
lead built by either team was held
by Hope when the score was 36-
33. But the Scots quickly chop-
ped this away and the point-trad-
ing spree continued.

Finally, with five minutes to go,
the Dutch managed to eke out a
four-point lead and then went into
a stall that lasted the better part
of three minutes and resulted in
several fouls committed by Alma
that built Hope's lead to its ul-
timate eight points.

Alma wanted that win badly;
it would have put the Scots in a
tie for first place in the league
standings with Hillsdale and Al-
bion. The win for Hope places the
Dutch in a tie for last place
with Adrian.

Dave Kemper played in his
first home game of the season for
the Dutch committing him-
self well and getting 9 points
for Hope. Gene Schrotenboer was
also on the Hope bench Tuesday
night, having registered at the
college for the present term. He
was not eligible for last night's

Attorney Ordered To Go Ahead With Condemnation Suit

School Board Approves Court Action in Case To Acquire School Site

The Board of Education Monday night gave the "go-ahead" signal to Atty. Peter S. Boler to proceed with condemnation proceedings on all unpurchased properties in the parcel of land located between 24th and 26th Sts. and between Van Raalte and Harrison Aves., designated as a site for the new public elementary school to replace Van Raalte school.

The land in question consists of seven parcels, two of which contain homes.

The resolution adopted by the board set forth that the present site at Van Raalte and 20th is both inadequate and not centrally located, and that the site at 24th and Van Raalte is of suitable size and location, as well as necessary for the new school.

In other business, the board approved a resolution on aims and purposes of the Albert C. Keppel school forest preserve as an aid to direct and instruct future boards in the use of the property. The resolution set forth that the property will always be used for purposes of reforestation and not sold, leased or exchanged in whole or in part. The action was taken to clarify the situation after a cabin was built on the property by mistake and then removed.

The board accepted a report from the special committee on merit rating of teachers, giving the opinion that, while recognizing its theoretical advantages, practical considerations make it inadvisable to take action at this time. Mrs. John K. Winter, chairman, said the present recommendation does not preclude any consideration at a future date, but in

view of the shortage of teachers, possible drafting of men teachers and the general acceptance of the salary schedule, no action should be taken at present.

The committee on teachers presented a recommendation that the salary schedule be amended so that the salary schedule be amended so that the maximum for women teachers be increased \$25. The committee also recommended that salaries for the coming year be based on the schedule with the added cost-of-living adjustment for \$200 for each teacher which was granted last November. Both recommendations were approved.

Supt. C. C. Crawford announced that Mame Ewald will retire as teacher in Junior high school at the end of the school year after completing 46 years of service in Michigan, 35 years in the Holland schools. "The retirement of Miss Ewald will be a great loss to the boys and girls of Holland as well as to the personnel of our schools," he said. "She has been a fine inspiration, and a faithful, conscientious worker, always interested in furthering the welfare of boys and girls." The board acted to draw up an appropriate resolution for her contribution to the school system.

Printed copies of the Philosophy of Education of the Holland public schools were distributed. The philosophy was adopted by the board last fall and will be made available to all parents of school students.

Trustee Vernon D. Ten Cate was nominated to represent the board on the County Allocation board. The appointment will be made by the probate judge.

Claims and accounts for January totaled \$96,364.34 of which \$38,709.44 went for teachers' salaries and \$41,521 from the building and site fund. President A. E. Lampen presided and gave the invocation. Trustees C. J. De Koster and E. V. Hartman were absent.

Pheasant Is Expensive This Time of the Year

You can't have your pheasant—and eat it—this time of the year. Martin Weidenfeller, 42, of route 1, Byron Center, paid \$100 fine and \$7.40 costs in Zeeland Justice Isaac Van Dyke's court Thursday after answering guilty to a charge of shooting hen pheasants. He paid the fine in lieu of 30 days in jail.

Conservation officers Harold Bowditch and Elmer Boerman along with Forest Grove Deputy Hilbert De Kline went to Weidenfeller's home Thursday with a search warrant after hearing reports that Weidenfeller was shooting the pheasants from an open window in his house.

In the pantry they found six hen pheasants, butchered and nicely dressed.

The birds were turned over to the Salvation Army.

Garage Features Expert Service

Marinus (Mike) De Jonge owns and operates the Lincoln Avenue Garage, 881 Lincoln Ave. He also operates a used car lot in conjunction with the service garage.

De Jonge has been in machine work for more than 16 years and has been in the garage business for 11 years.

Specialties at the garage include new and factory re-built motors, batteries, tires, accessories and the repairing of all makes of cars and trucks. Almost any truck can be serviced easily in the roomy department, equipped with the special high doors. Modern machinery in the lubrication department gives the best up-to-date service to all customers.

De Jonge says he has found that the most costly reports stem from poor or neglected lubrication in cars. Only the finest grade of parts are installed to insure longer life to your car.

The public is invited to stop in and watch the servicemen at work. De Jonge says that by calling 9210, he will pick up and deliver your car free of charge, after it has been repaired.

Cars Collide

Cars driven by Elbert Eddie Lanham, 1841 River Ave., and Elmer J. Van Dyke, 377 Felch St., collided at the corner of Ninth St. and Central Ave. Tuesday at 6:25 p.m. Lanham, who was driving south on Central, told officers he didn't see Van Dyke, headed west on Ninth. Lanham was given a ticket for failure to observe due caution. Damage to each pre-war model car was estimated at about \$100.

Complete Salvage By Padnos Firm

The Louis Padnos Iron and Metal Co., whose offices are at 120 River Ave., are dealers and brokers in all types of scrap material. One of the functions of the firm is buying and selling premium grades of waste paper.

Metal now is in the limelight with the nation's factories undertaking defense work. The only materials that can be used to make iron and steel are iron ore (pig iron) and scrap. It is significant to recognize that the supply of high grade ore is diminishing and consumers are reaching out to Labrador, Liberia, Venezuela, and other overseas sources. As this nation grows older it depletes its resources of primary metals. It must become increasingly conservation conscious. It is more important now because it is too far to reach to other countries for ores needed in a crisis.

By operating its facilities in its present locations in Holland, the Louis Padnos Iron and Metal Co. offer the citizens of this community the opportunity of processing its complete salvage into uses for defense equipment.

Zeeland

Members of the Second Reformed church were entertained by members of the First Reformed church Monday evening. Miss Joan Pyle conducted the devotional service. Miss Brunsting, Zeeland high school music instructor, furnished music. The program included the showing of motion pictures.

Reports Given To City Fathers

Several reports were submitted to Common Council at its regular meeting Wednesday night. The building inspector's report for January listed 25 building permits, 45 heating permits and four sign permits.

The fire inspector's report for January listed 420 inspections with 130 warnings issued of which 86 were for improperly hung electric cords.

The health inspector's January report listed 74 cases of contagious disease including red measles, 2; German measles, 4; scarlet fever, 1; chicken pox, 3; mumps, 64.

A report to mayor and council from the Board of Public Works gave results of a survey of the Sewage Disposal plant and facilities of the present plant are adequate for the present population and there are no immediate limitations other than the need for increased pumping facilities and the possibility of the need for increased sludge removal.

Increased facilities can be done either by the addition of more tanks of the present Imhoff type or the addition of a digester with the employment of the present tanks primarily for settling. In either case the present equipment would all be used and the cost of the addition would be approximately in proportion to the increased capacities required.

The report was submitted after working with officials of the Michigan State Health department and the Water Resources commission.

The Lucin cutoff, across Great Salt Lake in Utah, is the longest railroad bridge in the United States. It is 12 miles in length.

PROCEEDINGS

OF THE

Board of Supervisors

OTTAWA COUNTY, MICHIGAN

DECEMBER SESSION 1950

First Day's Session

The Board of Supervisors met pursuant to adjournment on Friday, December 1, 1950 at 1:30 p.m. and was called to order by the Chairman, Mr. Frankena.

Mr. Smallman pronounced the invocation.

Present at roll call: Messrs. Gemmen, Vollink, Hassold, Heckel, Stegenga, Nieuwma, Ter Avest, De Ridder, Szopinski, Bottema, Slaughter, Walcott, Mohr, Boon, Swart, Rosbach, Misner, Harrington, Koop, Galien, Cross, Frankena and Cook.

Mr. Galien moved that the Chairman appoint a Special Committee to prepare a Resolution of condolence on the death of Supervisor De Boer from Holland City.

The Chairman appointed Messrs. Galien, Harrington and Cross to prepare said Resolution, and present same at this Session of the Board.

The Clerk read an Order of Determination of boundaries affecting certain properties in the Township of Holland annexing same to the City of Zeeland.

DETERMINATION AND ORDER OF BOARD OF SUPERVISORS OF OTTAWA COUNTY, MICHIGAN, ANNEXING TERRITORY TO THE CITY OF ZEELAND

WHEREAS a petition certified by the City Clerk of the City of Zeeland has been presented to this Board by the City of Zeeland, Michigan, requesting that the boundaries of the said city be altered by the annexation thereof of certain lands and premises adjoining the corporate limits of the said city, in accordance with and under authority of Act No. 568 of the Michigan Local Acts of 1937, and

WHEREAS such petition did set forth the reasons for the proposed change in the boundaries of the city and contained a copy of the resolution of the Council in relation to such proposed annexation, and

WHEREAS such change of the boundaries of the said city was approved by a majority vote of the duly qualified electors of the territory proposed to be added to the city voting at a special election called for that purpose and held on the 23rd day of Sept. 1950, and

WHEREAS all acts, conditions, and things required to be done, exist, and happen precedent to an order and determination by this Board whereby the prayer of the petition shall be granted, including a public hearing thereon which was held on the 26th day of June, 1950, at the hour of 2:00 o'clock in the afternoon in the Supervisors' room in the Court House in the City of Grand Haven, Ottawa County, Michigan, notice of which hearing was duly and properly given by the City Clerk of the City of Zeeland, following such hearing election, and due consideration of the said petition, this Board hereby determines that the prayer contained in the petition

PROCEEDINGS

OF THE

Board of Supervisors

OTTAWA COUNTY, MICHIGAN

JANUARY SESSION, 1951

First Day's Session

The Board of Supervisors met pursuant to adjournment on Monday, January 8th, 1951 at 1:30 p.m. and was called to order by the Chairman, Mr. Frankena.

Mr. Galien pronounced the invocation.

The following were present at roll call:

Messrs. Gemmen, Vollink, Hassold, Heckel, Stegenga, Nieuwma, Ter Avest, De Ridder, Szopinski, Bottema, Slaughter, Walcott, Mohr, Boon, Swart, Rosbach, Misner, Harrington, Koop, Galien, Cross, Frankena and Cook.

Mr. Harrington moved that Mr. John Van Dyke of the City of Holland, be seated as a member of this Board and that he be given the same Committee Assignments as those of his predecessor, Mr. De Boer, which motion prevailed.

Report of the Finance Committee

To the Hon. Board of Supervisors, Ottawa County, Michigan.

Gentlemen:

Your Finance Committee would respectfully report that they have examined the same presented to them since the October 1950 Session of this Board and in pursuance of a previous or-

der of this Board we have ordered the same paid by the County Treasurer.

Respectfully Submitted,
D. E. SMALLEGAN,
MAYNARD MOHR,
Finance Committee.

Bills allowed for Nov. 3, 1950 \$5,474.33
Bills allowed for Dec. 7, 1950 7,375.15
Bills allowed for Dec. 27, 1950 5,450.50

Mr. Rosbach moved the adoption of the report which motion prevailed as shown by the following vote:

Yeas, Messrs. Gemmen, Vollink, Hassold, Heckel, Stegenga, Nieuwma, Ter Avest, De Ridder, Szopinski, Bottema, Slaughter, Walcott, Mohr, Boon, Swart, Rosbach, Misner, Harrington, Koop, Galien, Van Dyke, Cross, Frankena, and Cook.

Nays: None.

Mr. Carl Bowen, on behalf of the Ottawa County Road Commission, presented a Financial resume of the Commission showing the need for additional funds to operate until the Gas & Weight Tax is received for the first quarter.

Mr. Galien moved that the Ways & Means Committee, when they deem it necessary, be empowered on behalf of the Ottawa County Board of Supervisors to order the Ottawa County Treasurer to pay the Ottawa County Road Commission the necessary funds in order to enable the Road Commission to pay all current financial obligations at such times when the Road Commission does not have sufficient funds to meet such obligations. Such payments to the Road Commission shall be construed as financial advances or loans and shall be repaid by the Road Commission immediately upon their receipt of funds allotted to them either by the United States Government, State of Michigan, County of Ottawa and Townships within the County or any other sources, which motion prevailed as shown by the following vote:

Yeas: Messrs. Gemmen, Vollink, Hassold, Heckel, Stegenga, Nieuwma, Ter Avest, De Ridder, Szopinski, Bottema, Slaughter, Walcott, Mohr, Boon, Swart, Rosbach, Misner, Harrington, Koop, Galien, Van Dyke, Cross, Frankena, and Cook. (28)

Local All-Stars Stop Grand Haven In Benefit Tilt

The Ottawa County polo fund got a \$128 boost in the Armory Saturday night when two teams of All-Stars from the City leagues of Grand Haven and Holland met for the second benefit tilt.

Holland won the second game, as it won the first game in Grand Haven, although in a more leisurely manner. Score was a coasting 64-52 when the final horn sounded, and Holland was never headed after establishing a 20-10 first-quarter lead.

The second period, however, saw the Grand Haven club fight back to outpoint Holland 22 to 17, but the third quarter was again all Dutch, the locals making 15 points to six for the Grand Haven club.

A preliminary game between a second Holland All-Star team and a team of officials was won by the officials, 65-57.

The officials employed a fast break, and using their height well under their own basket, were able to feed rebounds out to the hard running shorter members of their crew to keep the City leaguers off balance. The All-Star seconds, however, pared the officials' lead by seven points in the final stanza before losing.

High scorers for the officials were Beertuis and Harve Buter with 19 and 17 points respectively, and Koop and Herk Buter, each with 10 points. For the losing All-Stars, it was Kiekover and Slager with 16 and 14 points respectively, none of the other All-Stars making over six points.

Summaries of the main All-Star game are as follows:

Holland's All-Stars (64)				
Schrotenboer, f	3	2	2	8
Buter, f	11	2	0	24
Schippers, c	1	2	3	4
Van Dyke, g	5	6	0	16
Bradley, g	1	1	1	3
Altena	0	1	1	1
Van Tatenhoven	1	3	0	5

All new comers to the community are invited.

The next regular meeting of the PTA will be March 20. Mrs. Drost of the Child Clinic in Muskegon will be the speaker.

Many people living in the Arctic regions build houses that are partially underground as a form of protection against the winter temperatures.

Livestock events which climax with a show at Michigan State college Farmers' Week always are among the featured activities. (1) Alex Lyon, manager of D. J. J. Hendron's Grand River stock farm, Webberville, exhibits the grand champion steer. This 1,130 lb. Aberdeen Angus won top honors and brought \$2½ cents a pound at the auction of prize animals. (2) Jarvie L. Gage, Winom, for a quarter of century has raised sheep on his Livingston county farm, receives the champion flockmaster from Graydon Blank, MSC extension sheep specialist. (3) Ernest Girbach, Saline farmer, acts like he almost loves the 230-pound barrow that won him the grand championship in the swine show.

Plans Needed to Insure Pastures Next Summer

Will you have enough high quality pasture next summer? This question is offered by Michigan State college agricultural specialists for consideration these days when farm plans are being made.

A good dairy pasture has been described as a place where a cow can eat her fill and then lie down in the shed to chew her cud. It takes good land and good pasture to provide such a place.

A 1,200-pound dairy cow producing 40 pounds of 3.5 butterfat milk on good pasture and eating eight pounds of grain a day would require 100-120 pounds of green pasture grass per day to meet her nutrient requirements.

Reuther Attacks Tax Hike Program

Detroit (UP)—Walter P. Reuther, head of the million-member CIO United Auto Workers union, charged Sunday that present tax increase proposals "will make the rich richer and the poor poorer."

Reuther said "Congress must enact a tax program that places the cost of the burden of the defense effort on all groups based upon their ability to pay."

In the current issue of the UAW's publication, "The United Auto Worker," Reuther repeated his demand for federal funds to be paid to industrial workers who are laid off while the nation switches from civilian to defense production. He said the government should guarantee these 40 hours pay per week.

"Congress has provided protection to guaranteed profits during the conversion period," he said. "It is obligated to provide protection to workers and their families. This is a normal part of the cost of the defense effort."

Reuther said the government has not gone far enough in its efforts to hold down inflation.

Tiling Proves of Value On Heavy Clay Soil

Tiling is one of the most expensive, most permanent, and best paying improvements that can be made on a farm with heavy, clay soils, says Willard A. Cutler, Michigan State college agricultural engineer.

Tile, however, must be properly maintained and can be justified only on first class land, he adds. It can increase the production per acre and make it possible to produce more at less expense because it saves seed, fertilizer, lime, and power.

He warns against tiling without adequate survey and design. Quality tile is also important. Many tile systems last through two generations, if properly installed and maintained.

Other advantages of good tiling which he lists include: Saving time in the spring by being able to get crops in earlier because of good drainage; aeration of the soil; less evaporation; aid to action of soil organisms; and increasing root zones for plants.

Train Accident Fatal

Jackson (UP)—George E. Holt, 47, was killed and his wife Olga, was critically injured Friday when a Michigan Central passenger train struck the car in which they were riding.

SEEK RECREATION HEAD

Sturgis—The city recreation board is accepting applications for the position of city recreation director. The salary for the position is \$3,600 per year on a 12-month basis.

Texas Farmers Plan New Crops

McAllen, Tex. (UP)—The farmers of the rich Rio Grande valley section of Texas know how to bounce back after a sub-freezing cold wave destroys or damages their winter crops.

They merely wait until the thaw—and it comes within a few days—and then put in a new crop.

Last week, there was plenty of worry among many of the valley farmers when they saw icicles hanging from their grapefruit and orange trees. It meant the loss of tens of thousands of dollars. Young tomato plants also were turned blackish green by the freeze. That meant a loss of more thousands of dollars.

However, old timers down here showed no panic.

William Friend, associate county agent for Hidalgo, Cameron and Willacy counties and an expert on citrus and vegetables, summed the situation thusly:

"The valley—one of America's richest and most productive—has had freezes before. The land still runs from \$500 to \$2,500 an acre."

Friends said many valley farmers this year will turn to raising more cotton, which can still be planted in time for a bumper crop. And cotton actually will bring the farmers more income than the fruit crop. The early tomato crop was wiped out by the freeze, but there is time to put in a new crop—in fact, probably two crops—and the farmers can recoup much of their losses.

Fennville

(From Saturday's Sentinel)

Funeral services were held Monday morning for William Miller, 70, who died Saturday at the Allegan county hospital. He had been there 21 years. He is survived by one sister, Mrs. J. A. Woodruff of Benton Harbor. Burial was in the Pearl cemetery.

The Past Noble Grands club met with Mrs. Robert Keag, with Mrs. James Smeed and Mrs. John Weston assistant hostesses. There were 16 present. Following the business meeting games were played with prizes awarded to Mrs. George Sheard, Mrs. Carl Walter and Mrs. Charles Collins.

A social evening followed. Mrs. Wayne Harris and Mrs. Keith Landsburg entertained the WSCS last Thursday afternoon in the Harris home with 18 members present. Mrs. Edward Grams had charge of the program and Mrs. Garth Smith led devotions. Plans were made to serve the annual Farm Bureau dinner at the church house Feb. 15. Mrs. Grams and Mrs. Paul Schroeder reported an attendance of 40 women at a demonstration held the previous meeting, the proceeds of which will be turned into the treasury.

James Doyle of St. Joseph spent Sunday with his uncle and aunt, Mr. and Mrs. Harold Dickinson.

Mr. and Mrs. Clarence Erlewein are grandparents to a second daughter born Saturday to Mr. and Mrs. Bernard Aldrich of Kalamazoo at the Borgess hospital.

William Broe, Jr., has returned to his duties as mail carrier after a year's leave of absence. He and Mrs. Broe purchased a lot of Harold Dickinson on the Hutchins Lake road and plan to build when weather permits.

Mr. and Mrs. William Patterson of Grand Rapids are parents of a daughter, Marianne, born Feb. 1 at St. Mary's hospital, Grand Rapids. Little Marianne is spending a few weeks with her maternal grandparents, Mr. and Mrs. Oscar Thompson, while her mother is in the hospital.

John Keag, who has been ill for some time, was taken to the Douglas hospital Sunday.

Mrs. Lee Sessions and Miss Queen Billings accompanied Mr. Sessions on a business trip to Chicago last Friday.

Miss Nellie Turrell has gone to Douglas to be with her niece, Mrs. Jack Tyler, until Miss Turrell's health improves.

Mr. and Mrs. James Smeed spent Sunday at Allegan with their daughter and family, Mr. and Mrs. Delbert Myer.

Mr. and Mrs. W. J. Hutchinson and their son-in-law and daughter, Mr. and Mrs. Stanley Wade, left Tuesday by auto for a vacation trip to Miami, Fla.

Mrs. Seymour Wuus entertained 12 members of the Tuesday Circle in her home this week.

The Rebekahs and Odd Fellows will have a Valentine party for members and their husbands and wives at the hall Saturday evening.

Mr. and Mrs. Frank Lincoln of Kalamazoo spent the week-end with her parents, Mr. and Mrs. Clarence Erlewein.

The cherry pie baking contest sponsored jointly by the high school Lions club and Michigan Fruit Canners, Inc., held Monday afternoon at the high school was won by Miss Lois O'Connor, first prize; Miss Helen Kluck, second; and Miss Jacquelyn Stearnburg, third. The three winners competed Wednesday for the county title at Allegan.

The three churches, Baptist, Methodist and Undenominational United for World's Day of Prayer at the Baptist church Friday. Children's service were held at 10 a.m. and adults at 2 p.m.

Florida has 30,000 lakes—one for every seven boys and girls between the ages of 7 and 16 in the state.

Here are a few of the scenes the more than 35,000 visitors to Farmers' Week in early February viewed on the Michigan State college campus. (1) The style revue by home economics students of costumes they designed and made always is a feature for the women visitors. (2) The pen-type barn exhibit sponsored by the agricultural engineering

department was of great interest. (3) Peter L. Brink, Grant muck farmer, produced 1,030 bushels of onions on a single acre of land to become the 1950 Onion king. (4) These six Brown City residents from Sanilac county seem intensely interested in the farm crops-dairy exhibit.
